Club DVD 7.9

The last few pages of this issue were put together in Christmas week, and if anything is going to be allowed to come between us and a glass of port and a plate of mince pies, it's the girls of *Club DVD*. You'll be reading it in january, of course, when people are doing detox bollocks and hitting the gym. Our suggested exercise: A copy of the latest issue, and whichever hand you favour. Anything else is a waste of time...

SMOO NEWS

FROM THE WEIRD WIDE WORLD...

TOGO PARTY!

'Scuse me! Did I wipe properly?

Withholding sex can be used by women for many purposes – not noticing they had a new hairdo, checking out their friends' arses and making it clear they don't appreciate your smart-arse comments on their favourite soap. But in Togo, women fighting for democracy and a fair crack of the whip are imposing a sex ban on their husbands in a push for political reform. Opposition party Let's Save Togo (who should be changing their name to Let's Save It For Another Night, Darling) intend to persuade the women of Togo to drive brutal dictator President Gnassingbé from power by denying him and his followers sex with their wives. But won't that just make him more brutal and dictatorial? "If men refuse to hear our cries, we will hold another demo even more powerful than a sex strike," said the leader of the women's wing of the party. What's that? Yakking on about *I'm A Celebrity* till free and fair elections are held?

SMOODENT LOANS!

Sexy girls are dancing for diplomas at a strip club in Ontario, Canada. The owners of Leopard's Lounge in the town of Windsor will pay for any dancer's tuition fees as long as they maintain a B+ average as a dancer. Students who work at the club during term time receive up to £1000 for classes at local colleges, including business studies, nursing and, almost certainly, human biology.

With the state of the NHS over here, it's looking likely that nurses will soon be doing diplomas to become lap dancers. But at least you'll be able to get a prostate exam while you're getting your reacharound in the private room at the back.

BATTERIES NOT INCLUDED!

An 'adopt-a-man' shop has opened in Paris, offering eligible bachelors for rent and displaying life-size mannequins in Ken-style doll boxes, with dating details printed on the side. Creators *adoptunmec.com* allow women to browse free amongst hundreds of bachelors who pay for the privilege.

Having seen up close Parisians and their chi-chi clothes, permed lapdogs and poncified cream cakes, we don't hold out much hope for the manliness of these 'Kens' but it's worth knowing why the missus seems to be checking out those Eurostar brochures a bit more closely.

GEEKS CORNER! WITH JOEL

For nearly twenty-five years doom metal lords Neurosis have worshipped the riff and with their tenth studio album, *Honor Found in Decay*, the band continue to honour their roots whilst continually developing their sound, this time orchestrating an apocalyptic spaghetti western atmosphere into their brand of bludgeoning doom! Also out this month is Studiocanal's gripping filmic adaptation of the hunt for Osama Bin Laden – *Code Name: Geronimo* follows a brave Navy SEAL team on a clandestine operation to breach his Pakistan hideout. Directed by John Stockwell and featuring Alvin 'Xzibit' Joiner and Freddy Rodriguez this is a tense stunning thriller! And finally a mix of sound and vision in the shape of Isis' Temporal CD and DVD collection of unreleased rarities, remixes and videos. Spanning the band's thirteen year career, this exhaustive set includes their essential takes on both Sabbath's *Hand of Doom* and Godflesh's *Streetcleaner*!

PRETTY LADIES...
AND 2 UGLY ONES!

Dear Club DVD,
I've got to admit that I haven't bought any jizz mags lately but when I saw your last cover in my local newsagents, I had to have it immediately! And I practically ran home with it, too! I do love the new look and all, but the main reason was your stunning covergirl, Sasha Cane! I've been a fan of hers for years and was more than a bit gutted when she gave up modelling, so to read that she's come back out of retirement made my decade! And you lucky bastards were only two rooms away from her as she got her kit off again! I am so jealous. But at least I'm able to frame the pictures from it, and I've got the DVD, anyway, so I can keep on dreaming! Please tell me you're getting her in for another shoot soon?
Del, Barnstaple

Ah, we knew some of you would be as excited as us by sexy Sasha's comeback! We were so excited when we heard the news we booked her up for a number of shoots over the coming months, so watch this space! As an ongoing firm favourite, here in the *Club DVD* office, we'll keep photographing her as long as she takes her clothes off for us! In the meantime, look to the left and feast your eyes on a piccie of the lovely Sasha in all her glory, just to keep you going!

Dear Club DVD,
I always enjoy your news page. It makes me laugh out loud when I'm reading it and I have to share the stories with everyone around me. But it gets better; I'm now learning good stuff, too! Last time, you wrote this bit about a new brothel in Austria [Ah, you must mean The Fun Motel! – Ed], which sounds shit hot! My work buddies and I are thinking of going along in 2014 when it opens and we want to experience absolutely everything!
Patrick, Macclesfield

We're glad you enjoy reading our Smoo News, Pat. As I don't think we've ever received a letter about it, we weren't sure anybody bothered reading it! Yes, The Fun Motel sounds, well, fun, doesn't it? Let us know if you do decide to go – we may end up asking you to be an honorary *Club DVD* reporter for the weekend!

Dear Club DVD,
There are so many fake boobs in porn magazines nowadays; it's always so nice to see a couple of curvy beauties, which are actually 'au naturale'. I speak, of course, of Jaye & Katerina, who you had in your last issue. Both gorgeous, with proper bums, a bit of meat on their bones and with titties I could motorboat all day! I particularly liked the images of the girls sucking each other's breasts and getting a good old mouthful! In other words, thanks very much for printing the photographs, and please print more non-enhanced babes!
Gordon, Newport Pagnell

Our pleasure, Gordon. No, really, it was our pleasure, as we got to go to the outdoors location to direct the shoot. And being able to watch all the goings-on in person really was an early Christmas present, we can tell you! We hope you enjoyed watching their poolside antics on the accompanying DVD, too! Talk about soaking wet action!

Dear Club DVD,
Yeah, thanks, guys. I thought my luck was in when my missus started reading my copy of the last *Club DVD*, but instead, the only thing she found interesting was the review of the new iPad Mini. She then badgered me relentlessly until I forked out for one for her at Christmas. I'm over £250 out of pocket! Still, she's happy and if she's happy I get more of a quiet life, so thanks!
Freddie, via email

Oops, sorry mate! But then, two-hundred-and-fifty smackers are a small price to pay for your woman's happiness. Plus, think about it – you've just scored yourself major brownie points at the beginning of a new year and your missus is now perfectly accepting of your unsavoury reading habits! So we're not sorry, in fact, you're welcome!

WIN A LOAD OF PORN*

TOSSARY

Mummification – An easy one to start with, mummification is exactly what it sounds like. A form of BDSM – it is generally the submissive who's on the receiving end – it involves wrapping them up head-to-toe (or neck-to-toe), like a mummy. Materials used depend on the fetish; these can include variants such as cling film, latex, bandages, duck tape or even a straightjacket – the main aim here is restraint. For some, the act of being mummified is excitement enough, whereas others may enjoy being left in the state for long periods of time, to maximise the pleasure. No, us neither.

Amychesis – My wife suffers from amychesis, and don't I bloody suffer for it, too! Nobody can help their little quirks while in the throes of a good boning, but making like Wolverine and scratching the living fuck out of my back seriously needs to cease! Some people may get off on having their back cut to ribbons during sex, but I am definitely not one!

Stuffucking – We're all guilty of having stuffucked in our time – whether it's because you've pulled a double-bagger, drank too much or are just overly tired. You want to have a fuck, your partner wants to fuck, everything's ready for you to fuck, but your quimstake ain't having none of it. So, you pray for the best and shove your pathetic, limp dick into her fanny, in the vain hope that it may just wake up and play ball. It usually doesn't.

Brazilian Flapjack – You're lying with your missus on a hot, deserted beach and you both start feeling amorous, so you have a bit of a fumble before spreading your muck all over her shaven haven and stomach. Ideally, she should then bake in the sun for a few hours, thus drying your spunk out and leaving a yummy crust for you to pick off and feed to her. She'll love it. Honest.

Texticle – Ah, the joys of the vibration setting on your mobile! You'll need looser trousers for the full-effect, but as long as you have front pockets it should do the trick! Simply put your mobile on said vibrating mode and shove it in your front pocket, as far down as it'll go (hence the baggy trousers!). Now you'll experience a nice, tingly sensation whenever you receive a text! Easy. And the more popular you are, the happier you'll be!

Stovepiping – Simply put, doing it up the arse. Or would you like us to be slightly subtler?

Colpocoquette – This mouthful of a term refers to a lady with a fine rack and who knows how to use them, and does, frequently – like any good porn starlet should.

Old Jism Trail – If you don't like the thought of old people screwing, look away now! As you may or may not know, elderly women generally have to take their teeth out before giving head, so there tends to be a bit of a trickle (or stream) of spondle that heads down her chin and tits after having a good nosh and causing her gentleman friend to shoot his load. And that spunk-dribble is what is known as the old jism trail. Yes folks, oldies fuck too!

Stingy Nut – Ever been so shitfaced that you've pulled an absolute horror, got her back to your place, only to realise that there's no way you can bring yourself to fuck the fugly cunt? Hmm, just me then. Well, if you do find yourself in this particular predicament, remember this advice: bend her over and pull down her knickers, then wank yourself silly and cover her arse in your goo. That's a 'stingy nut', you know. And that's your problem solved!

Melolagnia – In layman's terms, melolagnia means getting turned on by music, whether it be Serge Gainsbourg, Kendrick Lamar or Miley Cyrus. Ahem.

Cold Faithful – This is one of the few acts that you can do alone, with a partner – or even with friends, if that floats your boat! You simply need freezing cold temperatures to blow your load in, so it steams visibly. And the way this winter's looking, we'll have the perfect weather. Don't knock it till you've tried it…

STRIPTEASER

Victoria – not a natural blonde judging by those eyebrows – shaved her pussy especially for these photos.

"It's not just because it looks nicer," she informs us, "it's also that shaving makes me horny and my photos are so much better that way. I hope that my being turned on came over in the pictures and they turn you on as well!"

No worries on that front, Victoria...

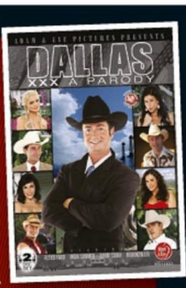
Dallas XXX: A Parody

Chronicling the carnality and corruption of the infamous Ewing's, a wealthy Texan family that made their fortune through their oil and cattle-ranching dynasty, *Dallas XXX: A Parody* spoofs the long running, award-winning television series of the 80's. In this raunchy rendition, helmed by famed director Andre Madness, Eric Masterson (JR Ewing) has sold off a portion of the Ewing oil dynasty to unlawful associates, without the approval of his family, resulting in the nationalisation and collapse of some of their oil fields. Thus JR finds himself in hot water. Greedy to the core, JR pushes forward, discovering new ways to make a quick buck, despite the fact that he's putting his family's future, their business reputation, and his life in dire jeopardy.

Who shot all over my tits?

The family saga begins with James Deen (Bobby Ewing) coming out of the shower, surprising his wife India Summer (Pam Ewing) with a little afternoon delight. Falling into her body, with a towel wrapped around his waist, James plants tender kisses along her beautiful neck, whispering sweet nothings in her ear. "Do you want to play?" he teases, rubbing his pitched tent against her long legs, causing her eyes to roll to the back of her head in ecstasy.



Starring: Alexis Ford, Bobbi Starr, Brooklyn Lee, India Summer, Eric Masterson, Bill Bailey, Ryan McLane, Michael Vegas, James Deen.

Directed By: Andre Madness.

Available From: Adam & Eve Pictures.

> "ONCE HIS COCK IS LITERALLY DRIPPING WITH SALIVA, SHE GOES AFTER HIS BALLS"

With an obvious wet spot beginning to saturate the front of her purple negligee, India lowers the straps of her nightgown, allowing her perfectly natural breasts to roll across her lover's tongue. Squeezing her smallish set in her hands, India seemingly breastfeeds James, allowing him tiny nibbles of her praline-coloured flesh. "I'm hungry," she purrs with an enticing Southern drawl that makes her words sound as sweet as freshly tapped molasses. "I bet you are," he happily responds, allowing his wife to

OIL SPILLS!

With the remake currently causing a stir on TV, it's high time scud genius Andre Madness put a porny spin on soapy classic Dallas. Emma Edwards joins the cast on the Southpork Ranch...

slither down his body like a Texas rattler, when he's had enough of her breast meat.

Now sprawled out on their sheets, India releases James's cock from the wet towel, allowing the hard meat to recoil across against her tongue like a quarter bouncing on a tightly made bed. "You know what I like," she continues to growl, easing his cock into her mouth, while maintaining direct eye contact with her well-hung hubby. Once his cock is literally dripping with saliva, she goes after his balls, stuffing his right nut in her mouth, as she strokes his cock up above. Switching out between balls, India causes both double danglers to shimmer and shine.

> **"THRUSTING HER ASS OUTWARD, SHE WIGGLES HER BUNS BACK AND FORTH, READY TO RIDE"**

After they are lubed up and ready to lock loins, James eases into her pussy in missionary position. Laser-locked onto one another, the intensity between them is scorching hot. Right as India is about to climax, James grabs a handful of her wavy hair and pulls her pretty face close to his. "I'll tell you when you can cum," he sputters, controlling the motion, while India practically weeps, desperate to open her floodgates. After a few more moments, James picks up the pace, causing India's juice to run loose!

Meanwhile, at her family's ranch, Alexis Ford (Lucy Ewing) is eager for a raunchy roll in the hay, once she gets a look at the handsome stable boy, Bill Bailey. "Hey you, come here and fuck me," she practically demands, twirling her blonde braids around her manicured fingers to entice the boy into action. "You always get whatever you want?" he flirts back, watching her pull down her halter top to expose her fresh new pair of Texas-sized titties.

"I'm a Ewing. I always get exactly what I want," she continues to taunt, resting herself on a stack of hay that's covered with a purple blanket. Ready to get down and dirty, Bill unzips her riding boots and gets to work by sucking on her pretty feet. "Suck between those toes, baby," she pleads, rubbing her swollen clit as he continues to tickle her tiny piggies with his tongue.

Rendered hotter than a branding iron on a cow's ass, Alexis grabs Bill's short hair and plants his face against her pussy. "Suck," she hisses, watching his tongue gloss over her pink meat and puffy parts. With a trail of pussy juice that coats his lips like fresh buttermilk, Alexis urges Bill to lap her up from her asshole to her clit. After she reciprocates with a

stellar blowjob, Alexis spins around and rests her right leg onto the pile of hay. Thrusting her ass outward, she wiggles her buns back and forth. Ready to rope and ride his magnificent mare, Bill wraps his hands around her fleshy hips and fucks her in standing doggie. Pulling on her pigtails and dribbling spit down her tits, Alexis has a good ol' time, and yells, "Yah! Yah! Yah!" In time, their romp concludes with a cum bath that slathers her toes in his homemade lotion. Sticky!

As the movie pushes forward, we find Bobbi Starr (Sue Ellen Ewing) on her psychiatrist's couch, trying to recall the root of her "ho'ing ways". Roaming around town and fucking anything with a pulse, Bobbi's hardcore bull riding sessions are leaving her in worrisome states of blackout. "These blackouts are very concerning to me. Do you remember what happened last night?" her psychiatrist enquires, anxious to hear more.

This leads Bobbi back to a honky tonk bar where she encounters Michael Vegas. Getting one look at her baby blue eyes, dark hair and bangin' body, Michael smoothly says, "I'm going to take you away from here." Happily willing to go wherever he leads, Bobbi is instantly smitten with the stud, and is swept off her feet by this confident stranger.

Leading her to a back room of the bar, the two fall into one another. Once intertwined like rope, they engage in passionate kissing that fuses their lips together. "You taste good," he smiles, continuing to work his way down to her Southern comfort. Licking around her puffy pubic hair, in search of her pussy parts, Michael finally locates her velvet underground. Rolling his tongue over her clit, Michael clearly knows the way to Bobbi's heart. "I fucking love it," she yelps, thrusting her hips to meet his lips. With girl gloss coating her inner thighs and dribbling from his mouth, we can tell that Bobbi is genuinely into his all-oral assault. Climaxing in his mouth, we watch as Michael greedily slurps up every last drop.

Ready to tame his bull, this spirited rider leaps onto his lap in cowgirl position. With rhythmic movements that make her look like a dancing flame, Bobbi scoops his cowboy hat off his head and

> "CLIMAXING IN HIS MOUTH, WE WATCH AS MICHAEL GREEDILY SLURPS UP EVERY LAST DROP"

Can I get a role in Knots Landing XXX as well?

places it on hers. Holding him down with one hand and holding the top of the hat with the other, Bobbi expertly rides both of them to pop!

Next, in one of their secret rendezvous, Eric Masterson (JR Ewing) meets up with Brooklyn Lee (Kristen Ewing). Although she hates her lover and is currently devising a secret plan to expose his ruthless business practices, she can't seem to cut herself loose from his dick. "Ready to fuck?" she smirks, eager to get down to the thick of things, as the purpose of this meeting is crystal clear.

Rushing her against the couch, Eric falls into Brooklyn's body. Straddling her legs around his waist, Brooklyn really enjoys his lips, massaging her tongue around his mouth. "I've wanted to fuck you all day," she contends, forcing him down her tight stomach until he reaches her hairless hole. With one of the prettiest pussies in porn, Brooklyn spreads her legs and allows Eric to feast on her delicious cookie. With his camera wedged in as close as possible, Madness captures every nook and cranny of Brooklyn's sweet meat.

"ERIC USES THE BACK OF HER THROAT AS TARGET PRACTICE FOR HIS CUM BULLETS"

Wanting a deeper taste of Eric's cock, Brooklyn rests on her hands and knees and begs, "Oh fuck! Put it in!" Resting his forearms on the deep arch of her lower back, Eric slips his stick into position. Fucking her with force, Brooklyn seems to adore this rougher style of riding. With a reddened face and pussy lips swollen to the size of hotdog buns, Brooklyn urges Eric to continue pounding her round. "I love that shit," she hollers, the moment he begins playfully pounding the sides of her hips.

"Make me your cowgirl," she later calls out, changing their arrangement so she is on top. Digging her feet into the sofa, Brooklyn hunkers down and rides Eric out. "Make me cum again," she continues, finally releasing an orgasm so intense it nearly knocks the two fuckers off the sofa. After a few more arrangements, Eric sets her up in front of his cock and uses the back of her throat as target practice for his cum bullets. Lapping up every last drop, Brooklyn licks her lips clean.

Now, as JR Ewing's shenanigans catch up with him, he now has several people in Dallas who would like nothing more than to see him pay for all of the damage he has caused. When in his darkened office one night, one of his disgruntled enemies decides to pay him a visit. As bullets pierce the air and as the smoke clears, we are left in a state of shock and with one blistering question, 'Who shot JR Ewing?'

BLUE ANGEL

STRIPTEASER

World

Blue Angel is a sex addict. But, you know, in a good way. She keeps retiring from the porn business, but then keeps coming back. Is it the money?

"It's not the money! My family has money, I could work for free if I needed to. No, it's always been the sex. I get fucked more than I ever need, retire, and then after a couple of months without any cock or pussy, I come back. I can't do without it."

Can't you get sex in your private life?

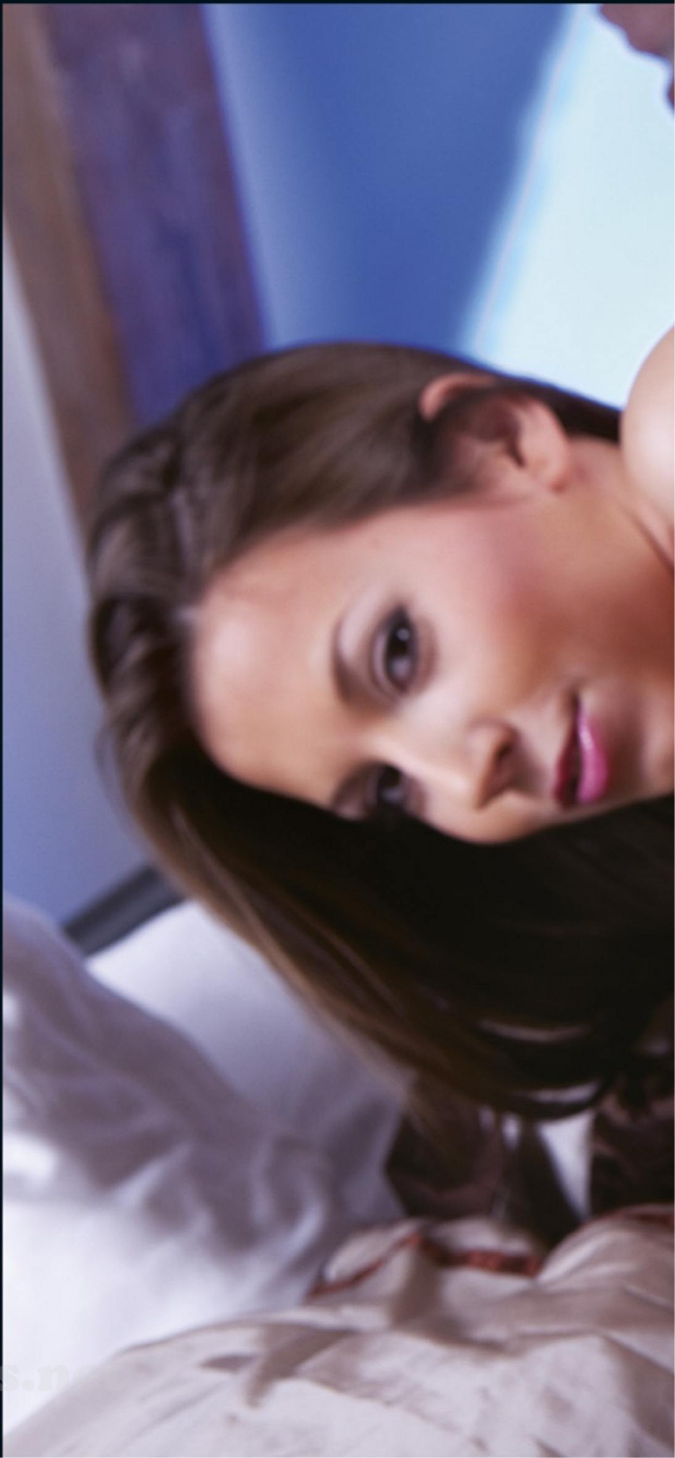
"Of course, but porn sex is intense. Plus I think I like being watched. By the cast and crew, by the fans. I'm a born performer, and I perform with my pussy!"

MONIKA

STRIPTEASER

We're pretty much obsessed with boobs here at *Club DVD*. It falls under our remit, shall we say. And as experts in this field, we're confident when we say that Monika's milkers are among the toppermost tits we've ever seen. In fact, we think a mold should be made of them and placed in a museum for safekeeping. Of course, as custodians of this boobage, we should roadtest them first. A quick squeeze, a kiss and a suck, maybe a cheeky soapy titwank. Just to check they make the grade, that's all...

MONIKA



MONIKA

What were you doing before and what made you decide to embark on a career in porn?
I was stripping and working as a fetish model. Porn was just the next logical step.

How would describe your porn 'brand' in one word?
Different.

Who or what inspired your stagename?
I was in a play in college where one of the characters nickname was 'skin' and I thought it had a nice ring to it. The 'Diamond' came later – it was actually just my email/twitter name, and then it sort of became my name.

Having grown up in Dunfermline, do you consider yourself Scottish or American?
Technically I'm not Scottish at all, I was born in California and moved there when I was still a baby. But because I lived there my whole life I feel more Scottish than anything else. I always tell my American friends, "Remember, I'm a foreigner who's just really good at American accents and has an American passport"! Haha!

And how often do you get to come back to the UK?
Not often enough...

Do you remember your first magazine shoot?
Yep. It was for some metal magazine (can't remember which now) to promote GodsGirls – the first site I ever modelled for.

What was your first scene? Were you nervous the first time in front of the camera?
My first scene was a girl-on-girl scene for Burning Angel. I was pretty nervous, but not as nervous as when I did my first boy/girl scene, which I did not even a week later. I loved my first porn experience!

Have you done any interesting shoots lately?
I'm always doing something interesting! I like to do a lot of stuff that isn't porn related too, otherwise I'll get really bored. I love posing for artists and working with fashion photographers, or anything else unusual. The coolest thing, though, is that I'm going to be in a Marvel comic! My friend painted me as Echo in the new *Daredevil: End of Days*, which is coming out soon!

Would you consider yourself bi-sexual in 'real life'?
Yep. I have a girlfriend and a boyfriend! Haha!

Is there a significant other in your life?
A couple....

How did your friends react to your career choice?
Seeing as all my friends are either fetish models/adult stars/dancers, they really didn't care! Haha! My friends in Scotland thought it was awesome, but I've

"I LOVE OPEN-MINDED SEX. I LIKE TO MIX SHIT UP AND GET PRETTY WEIRD SOMETIMES!"

SKIN DEEP!

There's a whole world between Dunfermline and California, but porn star Skin Diamond straddles them both. We probe the tattooed babe about sex, swords and Scotland...

"MY SEXUAL APPETITE IS SATISFIED EVERY DAMN DAY BECAUSE I WORK SO MUCH"

always been weird and very open minded.

Were you sexually active from a young age? When did you lose your virginity?
I've always been interested in it from a very young age but I wasn't sexually active until around 17, because I was so shy in school.

What have you learned about sex from your adult career so far?
That sex is even more amazing than I ever thought possible!

Do you have any sexual fantasies that you haven't fulfilled yet, either on film or in your personal life?
I'm starting to run out of things I haven't done! Haha...

SKIN HAS BOTH NIPPLES PIERCED, AS WELL AS HER NAVEL AND RIGHT NOSTRIL.

What type of scenes do you enjoy the most?
BDSM scenes!

What's your favourite nasty act?
I love spit. It's nature's lube.

Is there anything you wouldn't do on film?
Anything involving vomit or poop. Soooooo gross! Pee is cool though!

In your opinion, what is good sex?
Open minded sex. I like to mix shit up and get pretty weird sometimes! Haha!

What do you think you're best at sexually?
I know for a fact that I'm really good at giving head. It's the things that you can't see happening at the back of my throat that make it good!

How often do you masturbate?
Surprisingly, not that much... Well, not as much as people probably think I do. But my sexual appetite is often satisfied every damn day because I work so much.

Do you ever cum when you're shooting?
All the fuckin' time!

Are you into group sex?
Fuck, yeah.

What's the largest number of blokes you've fucked at one time?
Five.

Honestly now, does size matter to you?
To a certain extent. No one likes a micro peen... But really it's how you use it that really matters.

What turns you on?
Age play...

And what turns you off?

IN HER LATEST MOVIE, REVENGE OF THE PETITES, SHE FUCKS KATIE ST. IVES WITH AN ICE-CREAM SCOOP. BRINGS A WHOLE NEW MEANING TO THE PHRASE 'TWO SCOOPS'!

I hate cocky dudes that think they're the shit. Fuck them.

Any more tattoos planned?
Nothing planned as of yet but I still have plenty of time to get more! Haha!

We love your figure, so please don't, but have you ever been tempted to get surgical enhancement?
If I could magically have bigger boobs without going under the knife I'd do it, but the thought scares me. I have panic attacks at the dentist... I don't think I could handle any extreme surgery. Lol.

I read that you discovered BDSM at London's Torture Garden – do you remember how that felt after such a strict upbringing?
It was amazing and invigorating! I fuckin' miss it SO MUCH... Fetish clubs in L.A. are TERRIBLE!

You have been a vocal submissive until quite recently – would you say you're discovering your dominant side?
Yes indeed! My boyfriend is a switch, too, so we have a lot of fun together.

Do you watch porn when you're at home?
Yep, but I can't watch porn if my friends are in it! Haha!

Which studio would you say is your favourite to work for and why?
I don't like picking favourites, but I love working for Evil Angel, Jules Jordan, Burning Angel, Elegant Angel (so many angels!) *Sexuallybroken.com*, Mile High Media, Brazzers... The list goes on!

What do you do with yourself, other than shoot porn?
Normal stuff really. I smoke a lot of herb and hang out with my cats. I'm pretty boring most of the time, but when I party I go all out. Probably why I don't do it as much as I used to. I just don't have time to be that hungover constantly! Haha!

Do you like to have sex to music? If so, what kind?
Electronica

As you studied Acting & Performance at college, do you think that's the road you would have gone down, if not for porn?
Probably... It's definitely what I wanted to do first. But then I wanted to get heavily tattooed and I didn't think I'd be able to do that if I was an actress, so I pursued fetish modelling.

Who is your favourite performer that you've worked with? And is there anyone you would like to work with in the future?
I hate this question. I've always wanted to work with Belladonna, but she's retired now…

You did high-fashion modelling (including a campaign for Louis Vuitton) before you turned to porn. Apart from the obvious, how do the industries differ?
Everyone is crazy in any entertainment industry. I think porn stars are just a little more upfront about it! Haha!

Would you date a fan?
I would probably find that a little strange...

"I'M PRETTY BORING MOST OF THE TIME, BUT WHEN I PARTY I GO ALL OUT!"

SKIN HAD A PARTICULARLY STRICT UPBRINGING, HER FATHER BEING A CHURCH MINISTER WHO TRAVELLED AROUND, PREACHING. AS SUCH, SEX WAS ALWAYS FROWNED UPON. NOT ANY MORE THOUGH, EH?

What is the weirdest or craziest thing a fan has done for or to you?
Given me the gift of SWORDS! So fuckin' awesome!

Do you have any funny on-set stories you can share with our readers?
I have tonnes, but I can never think on the spot when asked. Any time I work with Tommy Pistol he makes me laugh so hard it becomes difficult to remain serious and focused!

Can you tell us something that your fans would be surprised to learn about you, please?
I was in the sea cadets of Rosyth Dockyard!

I read that you're an avid bookworm and a bit of an old movie buff – what are your favourites of each?
I hate picking favourites because I have so many.... *Harry Potter*, *The Vampire Chronicles*, *House of Leaves*, *Vurt*, *Lolita*, *Eternal Sunshine of the Spotless Mind*, *Secretary*, *The Little Mermaid*, *Ju-On*, *A Tale of Two Sisters*, to name a few!

"EVERYONE IS CRAZY, I THINK PORN STARS ARE JUST MORE UPFRONT ABOUT IT!"

We really love your blog – the photos are amazing and you seem to genuinely enjoy doing it, too. For anyone who's not familiar with it, tell us about it...
I am the worst blogger ever but I'm glad you like it! Haha. I just post whatever is in my head. Sometimes there is a specific topic, sometimes I just write what I've been up to. But I always like to make sure I post a lot of pictures.

What inspires you?
Strong women inspire me: Cleopatra, Audrey Hepburn, Aphrodite (I do realize that she's not real!). I'm also inspired by the beauty in everything, and the darkness. Without chaos there can be no beauty.

What are your plans for the future?
Continue having fun no matter what happens. I just want to be happy and to continue to grow mentally until the day I die.

What's the best piece of sex advice that you can give to our male readers?
You can never please a woman too much.

Do you have a website or another way for fans to get in touch with you?
I'm working on a website at the moment, *Skindiamondvip.com*. But I'm also on twitter @skin_diamond.

Anything else?
Check out my new movie *Skin* coming out from Elegant Angel next month! Also *Revenge of the Petites* from AMKingdom – one of the coolest and funniest pornos ever made!

Club DVD's Colin Noble is treated to an extreme version of one of his life's early ambitions...

Anal Debauchery 3

From: Harmony

Director: Gazzman

Starring: Samantha Bentley, Valentina Nappi, Anissa Kate, Anna Joy, Oliver Sanchez, Ian Scott, Danny D.

Anal Debauchery III

I'll be honest, there was a time in my life, when pretty much my primary goal was for a girl to allow me 'back passage access' and, despite it consuming my every waking moment, predictably this was a lot easier said than done. In fact, it's almost a given that the girls who you wanted to do it with, almost unanimously wouldn't and the ones who would, you didn't really want to, but felt like you should do just on principle! Thankfully, in the world of adult film, different rules apply, especially when it's a Gazzman feature and the exact opposite applies… in other words only the fittest women on the planet happily allowing a series of cocks to enter the back door!

So, typically I was excited arriving on set for *Anal Debauchery 3*, particularly when my Editor had tipped me off that Valentina Nappi was to be among the performers. I can say with conviction that a) there was no-one as attractive as Valentina Nappi who ever let me anywhere near her and b) the last thing they would have been doing is allowing anal entry, let alone debauchery!

The usual stately home setting for Harmony films was a welcome sight especially when I saw what the women, also including the unfeasibly perfect Anissa Kate and Samantha Bentley, were wearing. Dressed in furs, corsets, suspenders and high-heels, this was classic posh-bird-gets-banged-in-a-lavish-looking-room scenario and I certainly wasn't about to argue with this approach! Especially as this meant that Valentina was strutting around in the ornamental gardens wearing pearls and bright red lipstick to add to her already horny outfit, and spent the first few minutes of her scene revealing each part of her delicious body to the camera, giving us all, of course, an extra close up on her arse. Stretching it open and peering back over her shoulder I could almost hear the crew all inhale at the same time, such a sight it was!

The next sight we were treated to, however, was Valentina back inside

"THE SECOND PRICK ENTERED HER BUM AND STARTED PUMPING AWAY"

the long hall of the house, now just in bra, knickers and suspenders and dutifully taking two cocks into her perfect pouting mouth. Licking each shaft in turn, she then sucked on their balls so hard she had the men moaning and grunting before they'd even got anywhere near her arse. Obviously it didn't take them long to find their way in, and mounting one reverse cowgirl, she allowed the other bloke to finger her pussy whilst she sank up and down on the length. Biting down on her lip in delight with each thrust, she then invited the other cock into her pussy and began riding both, urging them to fuck her harder. With her perfect tits bouncing and her cute voice moaning in delight, it was clear that the real debauchery hadn't happened yet, and once it did, there was no turning back.

Turning around to re-mount the first stiff prick, the second one entered her bum from behind and started pumping away with no mercy until Valentina was screaming the building down, her shrill voice echoing in the long corridor. I remembered suddenly my own teenage quest to gain backdoor entry, and mentally accepted that I would have been more than happy to share if the girl had the same looks and behaviour as Ms. Nappi!

These two men were certainly happy with the situation, and threw her around in different positions giving her only brief relief from the relentless anal hammering as they made their manoeuvres. Lifting her up, with her arms now draped limply round their shoulders, she was then riding them both again and after a few more minutes of this, the title of the film was made clear as they stretched open her arse for a series of debauched and extreme camera close-ups.

Not that this was the end, as she was then fucked more conventionally whilst she sucked each dick, getting them ready for the final shot. They delivered their loads over the scene's main feature… Valentina's arse! After licking both tips clean, she wriggled back into her bra and knickers and gave a smile to the camera as if to say, "How was that?" The fact that no-one even bothered to respond to such a question said it all. If only I'd known her growing up, my life would have been far less frustrating!

DANI & TEENA

Club DVD regular Dani Maye this month introduces us to one of her many girlfriends.

"Teena is one of my favourite girls," she gushes. "I met her on a shoot in Spain and we hit it off. Unfortunately, we don't speak each other's language, but that doesn't seem to matter. When I suck on her tits, she smiles. When I lick on her pussy, she cums. What needs to be said?"

CURRIE ON...

XMAS

UK porn legend Karina Currie empties her stockings and puts her Xmas toys to the test...

It's that time of the year again, and it's time to empty Santa's sack! I kind of wanted it all over my face but, nope, he just dumped a whole load all over my bed! And I'm not talking sack spray either. On the plus side, though, he did leave me some impressive toys, so I thought I'd try them out and let you horny buggers know which ones are the best buys for your nearest and dearest this Christmas time. And after all, what better way than to treat the girl you love, with a useful gift that doesn't involve the kitchen or the bathroom this year! Let the trials begin…

I started off with The Rabbit. The toy that supposedly revolutionised and revitalised the sex toy market, but to be honest I didn't really rate the one I had, and the name really didn't help me get into the mood either. I don't recommend this one but each to their own I suppose, and if you are looking to get this one than I would check out the numerous outlets online where prices vary from £20 right up to £70!

Now for the next one on the list. Priced at a very reasonable £4.99 from *www.bondara.co.uk*, The Ultimate Pocket Rocket Vibe will send you to the moon and back! It comes with 4 different heads to stimulate your clit and obviously you don't use this toy in your vag, so it's a great one to use whilst getting a good hard shafting from your other half! Or, if he decides to give you a finger fuck session, let him take control of the vibe and watch his face light up at the ease of pleasing you. I love my little pocket rocket and as it takes just one AA battery you can raid the remote control.

Now, I know that a lot of women are very sensitive in the clunge department when it comes to latex and toys made of this particular material, so glass toys are great for those with highly sensitive cunts (and I'm not talking about your bessie mate here). The first glass dildo I tried out, the NYX Glass dildo and anal probe, so named after the Greek goddess of the night, is a satisfying 9 inch wand priced at £17.99 also from Bondara. It was great for a bit of anal probing, especially straight from the fridge! Chilled to perfection this toy slid with ease into my tight little arse whilst my fella used his hot tongue on my clit and

> **"CHILLED TO PERFECTION, THIS TOY SLID WITH EASE INTO MY TIGHT LITTLE ARSE"**

got a good face fuck. Mmmmm very nice!

I followed this with the Galaxy Glass Vibe at £19.99. I love the presentation box it comes in and yes it made my box all that much prettier too! A purple/pink smooth shatterproof glass shaft of 6 inches, which is smooth to the touch and textured for added stimulation. I loved the powerful vibes this beautifully presented glass toy delivered and would not be disappointed if I got one as my stocking filler this year. As an added plus it comes with free batteries!

Getting off of the glass, I found the 10 inch black double-sided dildo which just so happened to be latex and phthalate free! In laymen's terms that means better for the ladies intimate areas and no funkyness the next day to deal with. So, anyway, this double dong with its firm, flexible and textured ends make solo sessions or DP play with a lover so much fun, and it's not so massive that it's going to intimidate either party. Priced at a very reasonable £7.90 you really can't go wrong here.

But if you're the kind of guy that doesn't really like the idea of your lady friend stuffing her pussy with something that's not attached to you, then why not try the Original Clone a Willy kit. Priced at only £24.90, you could either have fun together making it or alternatively make it yourself and present it to your lovely lady on Christmas morning! This kit comprises of a specially timed moulding gel, a moulding tube, the vibrating unit, liquid rubber 'liquid skin' and easy to follow instructions. The only drawback is that you have to wait 24 hours before you can use the damn thing because the rubber has to set! After all the waiting is over, you will have a perfect replica of your hard, handsome cock to wave proudly in the face of your loving lady's lips and when you're not there you'll be safe in the knowledge that all she's jamming in her hungry hole is your cock and no other strange phallic variant in sight. Now, I hope this has given you all a little bit of inspiration for your Christmas shopping list and if the recipient isn't happy then I'll eat my Xmas hat and Santa's balls included.

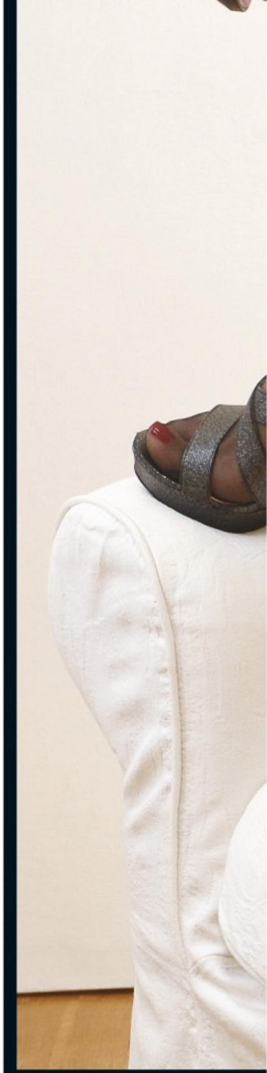
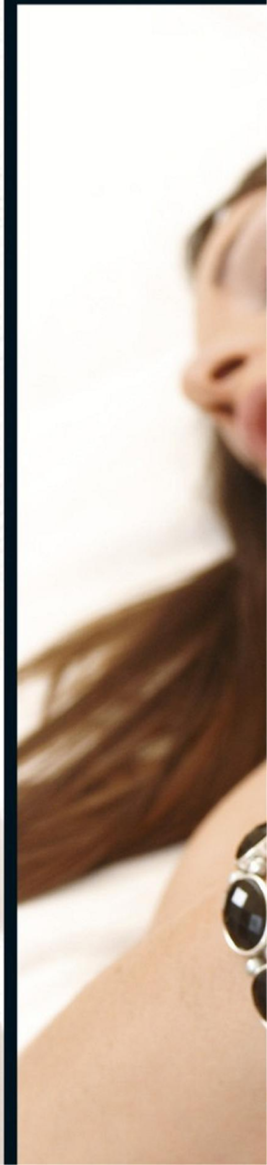
IRINA





WorldMagazines

Debutant Irina comes to us from Russia, home to many of the finest glamour babes. And home to many of the dirtiest, judging by her film credits.

"I loved making *Anal Sacrifice*," she giggles, "and *Only 2 Will Do 2* was my first DP on camera!"

You look far too innocent for that kind of thing.

"Maybe that's why they cast me – I don't look like your normal anal girl. But if you're any doubt as to how I like to fuck, I refer you to *View To A Gape 3*."

We'll add it to our Netflix list...

CONFESSIONS

BLINGIN'

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

I started seeing my boyfriend Harry just over a year ago and to celebrate our first anniversary, he said he was taking me on a romantic weekend away. I don't know why he said 'romantic' when we both knew full well 'filthy shagging' would be more like it. Of course I used it as an excuse to shop for sexy lingerie, and in the daytime on the Friday – we were leaving in the evening – I got a leg wax at a local beauty salon. As the place hadn't long opened it had loads of offers to attract new customers and I decided to get a Hollywood wax done too. Harry had got pretty horny when I'd shaved my bush off for our summer holiday so I thought I'd treat him to a long weekend of smooth, creamy pussy.

The salon's owner – she said her name was Belle – was really chatty and friendly but she was a hardcore saleswoman too, trying to get me to buy loads of treatments. When she first suggested a "vajazzle" I just laughed, but she wouldn't let up, saying Harry'd love it. And as she'd only done a few of them before and needed the practice, she offered me a fiver off it.

"STILL USING THE VIBRATOR, SHE SLIPPED THREE FINGERS INSIDE ME"

That's how I came to be lying splayed on a massage bed, with a woman applying glue-backed jewels to my pussy. Some salons just use ready-made patterns you stick on like a transfer and Belle used one of these as the basis for her design, but she wanted it more glitzy and imaginative, so she stuck a load of little crystals on free-hand.

At first it was just a bit tickly rather than a turn-on, but the closer her fingers got to my pussy, pressing and stroking to make sure the jewels were in place, the sexier it felt, especially as I imagined Harry getting his first sight of them. He'd probably laugh at first, but when his eyes went to my slit and saw it all swollen up and glistening with nothing more than my juices, he'd soon be plunging into my 'treasure chest'!

But I was in that wet state right now – Belle's fingers were on my outer labia, every touch pressing them against my clit hidden between them – it took all my willpower not to hump against her hand to make her diddle it directly! I was never going to get a full-on orgasm from it but a little shiver went through me.

I apologised and she said that was normal – well, she'd had women react that way to things like massages – so I tried not to be too embarrassed. But I noticed her hands were a bit trembly and her chat quietened down. After a couple more minutes I asked was she OK and she said she reckoned it was done, holding up the mirror so I could see it.

She'd done a brilliant job, really cute and artistic, with clear and pastel stones round the outside edges shading to deeper colours near my slit. But even though I'd felt myself getting a bit horny, I had a bit of a shock when I saw how puffed-up and moist I was – like I usually look after I've had a cock-pounding and cum my brains out!

I got off the table and admired Belle's artwork in the wall mirror and, still obviously feeling awkward, she stammered something like, "You've got such a pretty pussy," – and she wasn't talking about the design. I was so chuffed I gave her a big hug, forgetting I had my tits and fanny hanging out of an open bathrobe. She hung a bit longer than I expected, then our eyes met and she just moved in for a snog.

I flinched at first – it just felt weird to me to be doing this with someone who wasn't Harry, let alone with another woman. But before she could get upset over that, I started kissing her again and now it just felt natural, her tongue dipping into my mouth.

My hands were the first to wander but they were stroking tit through her uniform, while her fingers were touching skin immediately. She was still a bit shy so I moved her hands onto my boobs, rubbing them against the fleshy globes so my rock-hard nipples tickled her palms. I let out a sigh of relief and anticipation when one hand stroked down over my belly, only for her to stop and say it'd be a shame to ruin my vajazzle!

I said I thought it was meant to last, that she'd told me it should survive the drive to where we were going – and if it could stay put with my twat juicing all over the place, and all the friction from my soaking thong, it could take a bit of finger-licking action.

She had me lie back down on the table

"AS SHE GROUND THE TOY AGAINST MY CLIT, I FELT MY CROTCH TIGHTEN UP"

# of BABE!

"I SAT ON THE BED, SUCKING HARD ON HIS DICK WHILE I CRADLED HIS BALLS"

again, bum on the edge with my legs apart. Then I remembered something and told her to look in one of my bags. One of the places I'd shopped for undies was a sex shop too, and I'd got a little mini vibrator to use on my clit when Harry was fucking me. I especially like a bit of a buzz when he's doing me up the arse.

Belle used her fingers to splay me wide open and licked around the inside rim of the jewels, circling her tongue around before it finally homed in on my clit. She flicked at it, sending sharp tingles through my crotch, then she licked her way down, fucking in and out. Then I heard a buzzing noise as she switched on the mini vibe. For something so small and quiet, it didn't half pack a punch – I arched and bucked against her face as soon as she started rubbing it over my bud. But even that wasn't quite enough. I wanted my pussy stuffed.

I moaned for her to fuck me and she must have realised what I really needed. She pulled her face clear, while still using the vibrator, and slipped three fingers inside me. Bunched up and pumping me hard they felt like a nice fat, stubby cock ploughing my cunt, and as she ground the toy against my clit, I felt my crotch tighten up. It wouldn't be long now, and I circled my hips against her, making the movements more powerful.

I moaned that I was cumming and she knew as well as I did that nothing would stop me now, so the fingers came out and she clamped her mouth against my labia, sucking the juices, swallowing as my spasming cunt pumped them into her throat. I asked her how the vajazzle was looking, just to ease any post-fuck tension she might be feeling, and she said it was fine – just two or three stones had fallen free, which was good as neither of us was in any fit state to have her try to stick them back on.

Nothing much happened after that. Belle had to clean up – the room and herself – ready for her next client and I had to go home to make sure I'd be in when Harry arrived to pick me up. I said I'd have to return the favour another time and Belle said she'd be OK for now – when she got home she'd have, "bigger toys to play with". I'm hoping I'll get to join in that fun, as I couldn't help wishing I'd bought a nice, big, meaty dildo as well as my little vibe! Then again, I might not have felt her magic fingers if I had.

I kept my 'little gems' a secret from Harry until we arrived at our hotel. He did find it funny at first, but got on his knees for a closer look, and while he was down there, got busy with his tongue and fingers. He said I looked like I'd had a good seeing-to already, so I told him I'd been so excited I'd had a frig. I don't know why I kept quiet about Belle – he'd have been rock hard at the thought of me getting licked out – but I'm keeping it in the bank for another time.

His vajazzle verdict was, "nice diamonds but not enough pearls," and you can probably guess where that went. I sat at the end of the bed with him in between my thighs, sucking hard on his dick while I cradled his balls. I don't know how he lasted so long before I felt the first salty taste wash over my tongue, then I let him slip out, lay back and wanked him all over my mound and pussy, soaking the sparklies with his jizz. Even as I looked at the mess he'd made down there, I wished Belle had been with us to lick it off. *Caroline, by email*

IPHONE 5

The release of the iPhone 5 amongst the youth of today is like the release of Madonna's *Sex* book amongst the generation before. Basically, the first person to have it is King, and can go masturbate in celebration. Even when, in the iPhone 5's case it may be the first update that isn't going to shock the world, unless you're one of those people for whom a split second difference in processing power is a life-changer. Other than that, it's lighter and thinner, of course, and with the much maligned Siri working to its full capability and a marginally lighter screen it does separate itself a little from its predecessors. Irritatingly, though, Apple have done one of those things they always do, by introducing a different connector, thus rendering that kitchen drawer full of previous ones useless. Will this stop people buying it? Of course not and millions already have, but with the recent innovations and performance of competitors, the superiority of having the best phone on the market may have been lost… for now.

Pros: Larger Retina display screen. Lightweight. 4G capability.
Cons: Mapping terrible in comparison to Google. Battery life still weak.

LIBRATONE ZIPP

Looking a little like the kind of pencil-case the square kid at school would have had, the Zipp is the latest in Libratone's genuinely fresh take on portable speakers. Much the same as some of their larger models, the speaker is genuinely 'woolly' on the outside making it perfect for the middle-classes who like to express their 'individuality' with such quirky touches. Nonetheless, it's not just a gimmick of a wireless speaker and allows both Airplay and what they're calling PlayDirect, where you can set up an ad-hoc connection when blasting out the 'amazing' new Ed Sheeran Radio 1 acoustic session on Primrose Hill. Controls are easy to use and are neatly hidden behind the leather carrying strap, but whilst the audio quality is good, with some genuinely chunky bass, for the high price you're paying you may be expecting something mind-blowing. If you have money to burn though it could be the talk of your next Cambridge reunion picnic.

Pros: Decent sound. Ease of use.
Cons: Expensive. Unable to use streaming services like Spotify.

NOVATION MININOVA

Every time Microsoft releases a product in direct competition to Apple, the old tired arguments for both sides rear their head, however, this time with the inclusion of a 'keyboard cover' to this tablet, the former has at least tried to distinguish itself a little from the market leader. Intuitively knowing whether the keyboard is out in front, or folded up behind (where it provides on-screen keys), you can flip between applications using either the trackpad or the touch-screen, which in itself is an innovation worth shouting about. However, on the down-side at a huge 30mm larger than an iPad, it feels a little clumsy, particularly when wielding it portrait style. Also, there's the feeling that if you're going to use the keyboard, you might as well just have a normal ultra-thin laptop and with screen resolution not on the level of Apple's newest model it's one for the Microsoft hardcore.

Pros: Good battery life. Keyboard cover.
Cons: Big. Inflexible Windows desktop.

SONY NEX 5R

SONY
E 3.5-6.3/18-200 OSS LE
£669

Thanks to phone technology, the 20th century has provided us so far with a tedious onslaught of amateur photography, only made worse recently by Instagram and its already bursting archives of women taking 'selfies' to try and boost their low esteem with a few 'likes' from perverts. Therefore, 'real' photography is now the preserve of a new group who seek to distinguish themselves and Sony have tapped into this by releasing products aimed right at the intermediate level like this. So, it's still a compact, because you're not that serious, but the shots are professional right? Well, with the large sensor certainly aiding the image quality and the shutter release button quick to focus you're definitely in the pro-territory and it may be worth paying that little extra premium, if your goal in life is to take a great close-up of a flower rather than your mate gurning in front of a couple of Jager bombs.

Pros: Great image quality. Tilting, high-res touchscreen.
Cons: A little too bulky for the average pocket. Expensive.

NOKIA LUMIA 920

If you've been in London or any major city recently, you may have been accosted by one of the Nokia Lumia smartarses, who offer you £20 if you can do something faster on your existing phone than they can on their new model. Of course, like when you play darts at a fun-fair it's not weighted in your favour and they choose operations where they know the Lumia excels, which to be fair is many… although it's still highly irritating. For starters it boasts a lovely 4.5 inch screen and also has a massive 32GB capacity, that when coupled with the 7GB free Sky Drive space, that's plenty of room for both storing and playing games, apps and dealing with your music and images. Browsing is lighting fast too and with a well thought out large virtual QWERTY there's no surprise you weren't winning those twenty quid challenges. However, it may all still come down to that age old (in smartphone terms) conundrum of a lack of apps.

BIG COCK FUCKER DIARIES

(Private)

The Magik View stuff for Private is patchy, but it's the nearest the once great label gets to putting out new material. As a rule, their stuff set at sea is way better than their stuff set indoors, which can be grainy, and thus it proves again. Cindy Dollar, Angell Summers, Blanche, Kristine Crystalis, Nataly Von, Abelia and Honey Demon are the girls swallowing their sea sickness tablets and then swallowing back their jizz. They're not all beauties, but we defy you not to wank yourself inside out over Cindy Dollar in action. All aboard!

Seen our On Set report starting on page 33? Then you'll know this isn't one to miss. Not least because it sees the UK's own Samantha Bentley make a serious move into hardcore porn star status, after a few months of playing at it with the odd lesbian scene. Here she joins Valentina Nappi in getting rogered in the wrong 'un, which is lovely, only for her to crop up again to take a DP from two of the biggest cocks in the Harmony stable. Now that's anal commitment. Elsewhere, Anna Joy, Anissa Kate and Valentina – again – earn the right to a rubber cushion and a long rest.

THE PERFECT SECRETARY III
NEW RECRUIT

Adam & Eve's *Perfect Secretary 3* has its horniest instalment yet – notable not just for the uber-cuteness of lead Riley Reid, but for *CDVD* favourite Chanel Preston's first interracial scene. The latter is a doozy, despite the silly angel wings Chanel wears. But you'll overlook that when she's sucking on balls and taking a load to the fizzog. Elsewhere we get femdom, gangbangs and Riley proving she's a star in the making. Now if only they made real-life secretaries like this…

Magik View

Another from Magik View, and this time it's indoors action at its grainy worst. We can only surmise that some of this stuff was shot for web use and tacked on – which isn't the world's best idea. That said, it has its moments. Aliz is always a welcome presence in any porn film, and here she empties two dicks of their loads like it's an everyday occurrence for her. Which it probably is. Mandy Dee's boobs are always a sight to behold, and Mela can chug cock. But this still feels like it was thrown together in 5 minutes.

The hottest XXX from the world wide web

Stuff we looked at while pretending to work...

WWW.PANTYGIRLFRIENDS.COM

With so much of the world's population now on the internet, their crazy fetishes are reflected in the niche sites springing up to cater to them. I mean, you should see some of the bonkers stuff submitted for review on this page every issue – even we can't stomach some of it. So it's nice that a relatively softcore site like this can still empty our testes. It's pretty much what you'd guess from the name – cute girls in their knickers. No gaping, no jizzbaths, just pretty girls parading in their scanties. And it still works. Yep, in the days where your fetish is only a few clicks away, it's nice to be teased sometimes.

WWW.BRITISHTEASE.COM

Speaking of which… Homegrown site *BritishTease.com* goes a little bit stronger than *Panty Girlfriends* – there's pussy here, after all – but this is still on the softer end of things. It's been running for 7 years, and its lo-fi approach (they only started doing videos this year!) therefore clearly works.

What we liked was its commitment to British girls, both porn stars and amateur models (think Cate Harrington). What wasn't so good was the design and a few broken links – it's a website with plenty of good material begging to be seen, but one that could use some TLC.

WWW.EVASGARDEN.EU

In putting together *Eva's Garden*, the webmasters seem to have taken many of the best aspects of some of the more successful websites out there and combined them. And there's lots on offer here – well taken photos and decent videos of truly quality girls, decent navigation, nice download options. On the downside, the English translation on much of the pages is truly appalling, and the Forum is used by many of the patrons to discuss things like Serbia's troubled history. Not really the place, perhaps? These teething troubles aside, this has all the making of a popular, well-run and professional site. With shitloads of fanny, obviously…

FUN BAGS!

New year, same old crappy jokes rejected by crackers...

Why are hangovers better than wives? Hangovers go away.

A couple were in the final stage of their divorce. The judge announced, "Mr Jones, I have reviewed this case carefully and have decided to award your wife £500 per week!" The husband nodded and said, "That's very fair, Your Honour. And every so often, I'll try to send her a few quid myself."

How many animals can you fit into one pair of tights? Ten little piggies, two calves, one beaver, one ass, one pussy, thousands of hares and one dead fish nobody can ever find.

How can you tell that a bird is particularly macho? She rolls her own tampons.

Three generations of prostitutes all lived together in one house; the grandmother, the mother and the daughter. One night the daughter came home looking miserable. "How did you get on tonight, dear?" her mother asked. The daughter sighed, "Not too good, Mama. I only got a tenner for a blow job." Her mother gave her a hug and said, "Don't worry, love. In my day we only got 50p for a blowie." Hearing this, the grandmother tutted, "For God's sake! In my day we were just happy to get something warm inside our stomachs!"

What three little words will totally ruin a man's ego? Is it in?

How many men does it take to screw in a lightbulb? Three: one to screw in the bulb and two to listen to him brag about the screwing part.

What food diminishes a woman's sex drive by 50%? Wedding cake.

One Friday night, the god of Thunder, Thor, comes down to Earth and assumes mortal form. Looking for a bit of fun, he goes to a singles bar and pulls a beautiful woman. After a weekend of continuous and passionate lovemaking, Thor realises he has found his perfect woman and decides to reveal his true identity to her. He sits her down and tells her, "Darling, I must tell you... I am Thor!" The woman looks at him and answers, "You reckon you're bloody Thor? I'm tho Thor I can hardly pith!"

How do men define marriage? A very expensive way of getting their laundry done for free.

A father was trying to explain to his young son the dangers of drinking alcohol. He put one worm in a glass of water and another in a glass of whiskey. The worm in the water lived, whereas the worm in the whiskey quickly curled up and died. The father turned to his boy and asked, "So, what have you learned from that, Son?" The boy answered, "Well, it shows that if you drink whiskey, you won't have worms."

What's the difference between peanut butter and jam? You can't peanut butter your dick up your wife's arse.

Mums have Mother's Day, dads have Father's Day, what do single guys have? Palm Sunday.

What do you call a policewoman with a Brazilian wax? Cunt stubble.

An Essex girl was overheard complaining to her mate, "My boyfriend's such a rat, I dunno why I bother. He's always cheating on me. I mean, he screws around so much I'm not even sure the baby I'm carrying is his!"

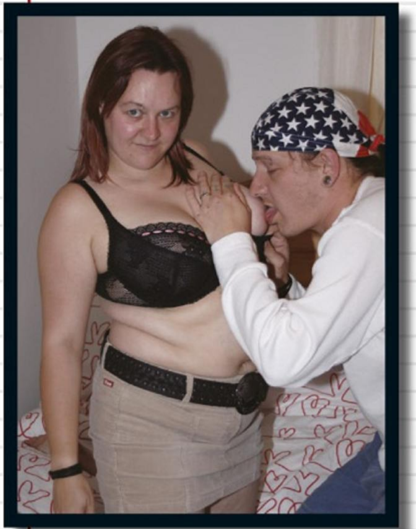
Ask Em

Our very own bondage queen just loves to be of service. And if she can't be there to fuck you in person, then at least she can help solve your saucy sexual dilemmas! So send 'em in and let Em at 'em...



Dear Em,

I'm not in a relationship – in fact I haven't had one for years – and I love the freedom of going out every weekend and pulling as many birds as I can. As we've grown up, though, my friends are all settling down, getting hitched and having sprogs, and I feel a bit left behind. Is it wrong to still be shagging around at 44, or do you think I should be trying to find myself a wife by now?

Dominic, Glasgow

Well, Dom, who am I to say what's right for you? If you're happy still playing the field, and are doing it safely and responsibly, then carry on! You may, at some point, decide to settle down and reproduce, but a life of domestic bliss isn't for everyone so please don't stress about it. As I always say, if we were all the same, life would be very boring… Horses for courses, and all that!

Dear Em,

My girlfriend and I have been together for over 2 years now, and we're happy apart from neither of us being able to find a job. We've both been unemployed for over 6 months and it really gets her down. She's now saying that she's going to start using sex to get herself a job, by blatantly offering herself to future employers at interviews. I don't like the idea at all but she's adamant, and keeps saying that I don't own her, she's her own person and can do what she likes. I'm at my wit's end, here.

Saul, Brum

Oh, honey, I do feel for you. Although she's absolutely right in that it is her body and she can do what she pleases with it, I would have thought that, as her common-law husband, your opinion should count for something. I can understand her frustration, but throwing herself at potential employers won't get her a job, it will just see her rejected, humiliated and possibly even ejected.

The casting couch, or its business equivalent, went out with the last century, sweetie, and I would put money on it not working. If she's determined to do something naughty that earns some quick moolah, then why not suggest that she starts holding Ann Summers' parties, or the like? It may be a start!

Dear Em,

I'm writing to you 'cause I gotta question and I don't wanna ask any of my mates. I shagged this fucking minger a few weeks ago and ever since my todger's got this weird smell. Is there a cream I can get to stop it stinking? It's putting my fucks off giving me a nosh! Cheers.

Bones, via email

For shitting hell's sake! Are you serious? I didn't think there were actually people as stupid and irresponsible as you out there! I'm pretty sure you've got yourself a nice little STI/STD there, so congratulations, bonehead! If you've noticed a change of any sort to your genitals – and it doesn't have to have turned green – you should go to your GP, or sexual health clinic, as soon as possible, NOT continue to sow your infected wild oats, you utter dumbass! Now go and get it diagnosed then treated, and inform all those girls you will have infected, too. Not so fun now, is it?

Dear Em,

I'm a huge fan of porn, and porn stars particularly, and I like to keep up to date with the latest totty on the scene. So imagine my surprise when I realised that one of the new British models that I wank furiously to regularly, lives just a couple of streets from me! I keep seeing her around – at the corner shop five times and on the way to the train station twice, now, but haven't mustered the courage to speak to her.

I just want to strike up a conversation, tell her how much I love her work and ask her out on a date. Do you think I should

hang around near her house until I 'bump' into her or I'm considering knocking on her door? I'm not a stalker, or anything like that, so don't worry.
Eric, Wimbledon

No, no and thrice NO! You may not be a stalker yet, Eric, but you sound like you certainly have the makings of one. I very much doubt she would want to date a fan (not many adult models do, unsurprisingly) and even if she did, I can guarantee you she wouldn't want one randomly turning up at her door! Admire her from afar, by all means (and in mags and movies, of course), but please don't ambush the poor girl – not unless you want a restraining order on yer head, that is!

Have you got a sexual problem? Don't take it out on a six-pack of Stella – write in to 'Ask Em' at Club DVD, Blue Active Media, 23 Lyon Road, Hersham, KT12 3PU
